PALOUSE SCHOOL SUMMER FOOD DELIVERY UPDATE:

As of June 30th Palouse (unless things change) will no longer be permitted to participate in the Summer Food Service Program, thus our weekly food deliveries will be discontinued. The last delivery is scheduled to take place on June 22nd and will include items for the 22-30th.

Those of you receiving the Back-Pack food items through the Palouse School Food Pantry will still receive this assistance through out the summer. Of those not receiving the Back-Pack food items, we would like to know if you are interested in receiving them. The Back-Pack program provides weekend food for students in need. The Palouse School Food Pantry is not part of the normal school lunch program, but is provided for through donations organized by Jayne Olesen. We are not sure of ample donations to continue indefinitely, but we would like to know of your needs so our fund-raising efforts can have direction.

If you need this Back-Pack support and would like to be included please provide the information below and return to the delivery driver before the end of June. You may also call Jayne Olesen at 208-882-0941 or email her at jolesen@garpal.net
